vision:

Maggie Sottero stands for LOVE and love for ALL – including Mother Earth. We are a third-generation family-owned company committed to creating a more sustainable future for the next generation and beyond. We are on a mission to learn best practices, reduce our environmental impact and restore vital ecosystems, from Maggie's beloved birthplace, Australia, to the Great Salt Lake Region we call home. We're reimagining everything we do with a regenerative, future-facing view. The Maggie family is committed to being the change, disrupting the standard, and creating the future to ensure our brides' love stories — and our Planet — endure.

three pillars

WASTE REDUCTION

Maggie Sottero is recycling everything possible, as efficiently as we can, from bulk shipping waste to diverting stock from landfills. We are working towards ZERO waste.

RESOURCE CONSUMPTION

Maggie Sottero is supporting renewable power projects, reducing our product impact and investing in the circular supply chain. We are working to become a more regenerative brand.

PROTECTING BIODIVERSITY

Maggie Sottero is supporting efforts to back healthy ecosystems globally and near our Scope 1 facilities, from our partnership with One Tree Planted to our volunteer work with regional conservation groups like International Bird Rescue.

give back

Be a partner in change with us to ensure our brides love stories — and our planet — endure. In honor of every Maggie Sottero bride and every sample purchased we will plant a tree with One Tree Planted supporting biodiversity protection. Let's celebrate a more sustainable wedding space with LOVE and love for ALL — including Mother Earth!
